YOUTH WORK CAMP PAINTS A HOUSE - August 2009

Submitted by the Fortunate Homeowner:

"Bethany Youth Work Camp 2009 arrived at my home. Scrapers, ladders, paint brushes, tape, buckets and eye goggles -- just to name a few pieces of the equipment that arrived... and the work began. What I imagined as a quick paint job became such thorough work that I was amazed. I will never be able to know how the youth felt or if they know the difference it made in my life, but I know what life lessons I learned this very special week. Neighbors called to find out what was going on. Where did these wonderful young people come from? What program does my church have that would demonstrate such care? The inquiries were

endless. I felt loved, I felt special ...thank you with all my heart." See "2007 House Paint Work Camp" in BETHANY PHOTOS or go to BETHANY ARCHIVES page.
